## Forestry Operations within Ewich Forest

From 1<sup>st</sup> November 2024, tree felling will be taking place within Ewich Forest per the map below. Works are expected to take up to 5 months, with completion expected in March 2025. Tree felling is taking place adjacent to The West Highland Way. For safety reasons, a diversion has been put in place. There may be banksman in place offering you directions if operations are close by. Please follow the local diversion and adhere to any guidance from operational staff. Thank you for your patience and understanding, and we apologise for any inconvenience caused.
